Division: Family & Children
Services

TO: Local District Commissioners

SUBJECT: Collaboration with Child Care Community

ATTACHMENTS: See Attachment 1 for a list of attachments.
All Attachments are available on-line

The purpose of this LCM is to assist local districts in the development of increased coordination and collaboration amongst the various child care providers and community organizations within your county. At the recent NYPWA conference we placed emphasis on the development of public-private partnerships, especially in the area of child care. In particular, collaborative efforts with Head Start and Pre-K were discussed as well as with the day care community in general. Therefore, the attached materials have been compiled to assist you in identifying organizations/groups with whom you can coordinate to identify and meet client needs.

Contact Person:

If you have any questions regarding information contained in this LCM, please contact Dee Woolley, Bureau of Child Care at (518) 474-9627.
